

The File Content Calendar 2009

The File from eetindia.com delivers essential industry news, analysis and design tips specially tailored to India's design community — in an exciting new multimedia format.

2009	Theme	Technical focus	Trends	Community & events	Video tutorials	Datasheet downloads	Booking deadline
July	1-15	Analogue/Mixed-signal	A/V processing	•	•	•	Jun 15
	16-31	Low-power design	VLSI design	•	•	•	Jun 30
August	1-15	Broadband	Network design	•	•	•	Jul 15
	16-31	Embedded systems	System-level design	•	•	•	Jul 31
September	1-15	Power management	Power supply design	•	•	•	Aug 14
	16-30	EDA	Verification	•	•	•	Aug 28
October	1-15	Communications	Wireless	•	•	•	Sep 15
	16-31	Embedded test	Debug	•	•	•	Sep 30
November	1-15	Green power	Alternative energy sources	•	•	•	Oct 15
	16-30	Embedded systems	Cloud computing	•	•	•	Oct 30
December	1-15	PCB design	Signal integrity	•	•	•	Nov 10
	16-31	Embedded systems	Automotive electronics	•	•	•	Nov 20
